

Customized Premium Rate Calculator®

Terms of Purchase

DISCLAIMER:

Due to the nature of Rate Calculator product E-Delivery, there is no refund after purchase.

Customized Premium Rate Calculator is E-Delivered in **Microsoft Excel** document format to the email address provided by purchaser. Purchaser *must be able to open* a Microsoft Excel document to access Customized Premium Rate Calculator upon delivery.

Initial purchase of Customized Premium Rate Calculator is \$99.99 per carrier product included in Rate Calculator. For more than one carrier within Rate Calculator, a \$50 bundle fee is added to total cost. Annual renewal means an entry code must be purchased to re-open Purchaser's Rate Calculator every 12 months (\$34.99) due to proprietary access.

Delivery time is contingent upon each Rate Calculator. Normal delivery time is 10-15 business days. An estimated delivery time can be provided upon request before purchase.

Updates to Your Rate Calculator are FREE 15 business days after date of eDelivery. Thereafter, minor update(s) to Your Rate Calculator is \$39.99 (*minor update to be determined by Tech Support*). Major update cost is based on size and scope of major update (*major update to be determined by Tech Support*).
